Either way, we would love to welcome you to extend your stay at Lakeside Barn.

We fully appreciate not everyone wants the same for their big day. Whether that is a personalised cocktail bar, a stretch tent to dance outdoors, a food truck serving your favourite meal, a bouncy castle for the kids (adults), or even your shared love for Lord of Rings, we can do it!

So please do not hesitate to reach out with your own ideas.

WANT SOMETHING DIFFERENT?

We realise you may want something that is bespoke to you. We are here to cater to your individual needs, to make your day as special as it can be.
